671 High Street, Preston Open 7 days 7am to 10pm

Eco Wash Coin Laundromat cares for the environment using technology efficient machines and is first in Melbourne to provide [solar hot water](#). Eco Wash use only Dexter machines because they are technologically advanced, water-wise and energy efficient.

An entire week's laundry can be completed in just under 1 hour: Using the quad washer, the wash cycle is complete in 23 minutes then follow with the jumbo dryer for 25 minutes - washing done.

Relax in the modern, clean, secure premises and enjoy the internet with our compliments.

Eco Wash Coin Laundrette will offer a new experience in laundry for Preston, Reservoir, Thornbury, Northcote, Coburg, Greensborough, Bundoora, Thomastown and greater Melbourne.
